

Revised List of Games Is Being Arranged for Amateur League in the District

SUBURBAN PLAYERS ON NEW SCHEDULE BEGINNING MONDAY

Revised Dates Will Be Announced Sunday By League Officials.

PETWORTH TEAM STANDS GAME AHEAD

Four Teams in Circuit to Play Each Other Four Times Now.

Suburban League officials have drafted a new schedule, which will be announced Sunday. When Brookland and Takoma were dropped, it became necessary to continue as a four-club circuit. While it was thought the remaining games in which the dropped teams were scheduled would be forfeited to the teams which are still members of the league and the other games moved up on the schedule, the decision of the managers was to make an entirely new list of dates, which will give every team in the league a chance for the flag.

Petworth Game Ahead.
Were the plan of declaring the games forfeited followed, Petworth would have a clear lead of one and one-half games, but according to the revision its lead will be but one full game. According to the new schedule, each team will play each other four times, and Brightwood will be given a percentage which will allow it to overcome the lead of the other teams should it play in better form than it has previously shown.

By the rearrangement adopted, Petworth is the only team to suffer, and instead of having the pennant almost won, will have to start over, and endeavor to win it again. Manager Torney's team has already won the series from Silver Spring, and has split even with Park View. Instead of having to meet Park View once and Silver Spring twice, the league leaders will have to play each of their rivals four times more.

Better Business Basis.
The plan will no doubt create a new interest in the race, and should result to again place the Suburban League on a sound basis. The following changes in the amateur leagues have been sent in to Secretary Shurtliff:

Bankers' League.
Commercial National—Added: Clancy, Bell, Hampton.
Capital City League.

Andrews.....	12 8 .750	Times.....	7 10 .400
Walcott.....	12 8 .750	Telephones.....	5 13 .278

TODAY—Willard vs. Times, at Georgia Avenue and Kenyon street.
TOMORROW—Andrews vs. Moses.

By defeating Moses yesterday, Walcott becomes tied with Andrews for second place, both being but half a game behind Willard.

Despite the fact that there were three double plays, the game was slow and uninteresting, being called back to the sixth inning in the seventh, after Walcott had scored seven runs.

The House Furnishers could connect for but two hits, one by Owen off Garland, and the other by Vossberger off Richmond. Neither did any real damage, however.

Some idea of the slowness of the game may be gained from the fact that the bats were entirely around the W. Walcott team in two innings—the first and the seventh.

Cockrill led at the bat, getting three hits out of four times up. One was a single, one a double, and one a three-bagger. Garland and Vossberger also registered a three-bagger apiece.

On the whole, yesterday's game was little more than a boost for the Walcott batting averages, they combining twelve hits off Burgess' delivery.

Clyde Richmond put up a good game at second for the winners, although nominally in the center. In the third inning he was called out for not touching first after getting a pretty two-bagger.

Manager Martin was thoroughly disgusted with his team and has withdrawn his team from the league. The franchise has been given to the National Electrical Supply Company's team.

Silver Spring.....	6 6 .500	Immanuel.....	3 9 .250

TODAY—Silver Spring vs. White Haven, at Sixteenth street and Columbia road.
TOMORROW—Immanuel vs. Braddock.

Braddock is again tied with Southland. Yesterday's victory over Woodland putting the youngsters up top.

Each team was forced to use two pitchers, Woodland using Briggs and Henson, while Braddock depended on first Cash and then Ogilvie.

Umpire Sheekle demonstrated most emphatically that he is running things by sending Colley, shortstop, and Green, catcher, both of Braddock, to the bench. Neither player liked a decision in which each figured, and tried to show Sheekle up, only to be shown up themselves.

If Sheekle would take as determined an effort to start games at 5:30, the effects would be seen quickly in improved attendance.

Perhaps nothing stood out more prominently in the game than the batting of "Ping Bodie" Malloy. Malloy looks like Bodie's double, and yesterday looked still more like him by driving in four runs with his two hits.

"Chick" Riddle, after going to bat three times without connecting safely, came up with men on first and second in the seventh, and promptly doubled, sending him in. In the ninth he tripled, ending one more run over the plate.

Braddock was forced to use "Al" Ogilvie to make sure of the game. The Railroaders could do little with him. "Chick" Riddle smacked to left for three sacks, being the only hit off him.

Green's work behind the bat for the youngsters has shown a great improvement in the last two weeks. Green's weakest point seemed field flies, but judging from his two catches of yesterday, he realizes that his being put out of a game weakens his team materially, and should regulate his conduct toward the umpire accordingly.

TOMORROW—District vs. Second-Washington.

First and Commercial will fight it out today for second place. First reached a set-back by forfeiting to American Security on Wednesday, but the Hyattsville boys are still in the mix.

There seems to be little chance now of heading American Security and Trust. The Fifteenth street bankers have but four games to remain, and while two are with Commercial, it should land the bunting.

District National failed to appear yesterday for its scheduled game with American Security. Despite its two forfeits, Manager Hall's district will play out the remaining games on the schedule.

The American Security team was entertained last night at Twin Oaks, the home of President Bell, of the bank.

District National is strengthening its team, having lately acquired Howard, the Western High School star, and Tew, former Technical High twirler.

TODAY—Navy Yard vs. Seamen Gunners, at North Capitol and L streets.
TOMORROW—Pumping Station vs. Eastern A. C.

Cornell continued its triumphant march toward the championship by defeating the Marines in easy fashion yesterday.

Poor support of Harley, the Marines' flinger, was responsible for the large score, every man behind him except Schilling, who didn't have a chance, making an error.

The Marines started off like winners, slugging out four hits in the first inning, for four runs, with an extra few in the fourth Joe Engle went in and held the Marines hitless for the remaining four innings.

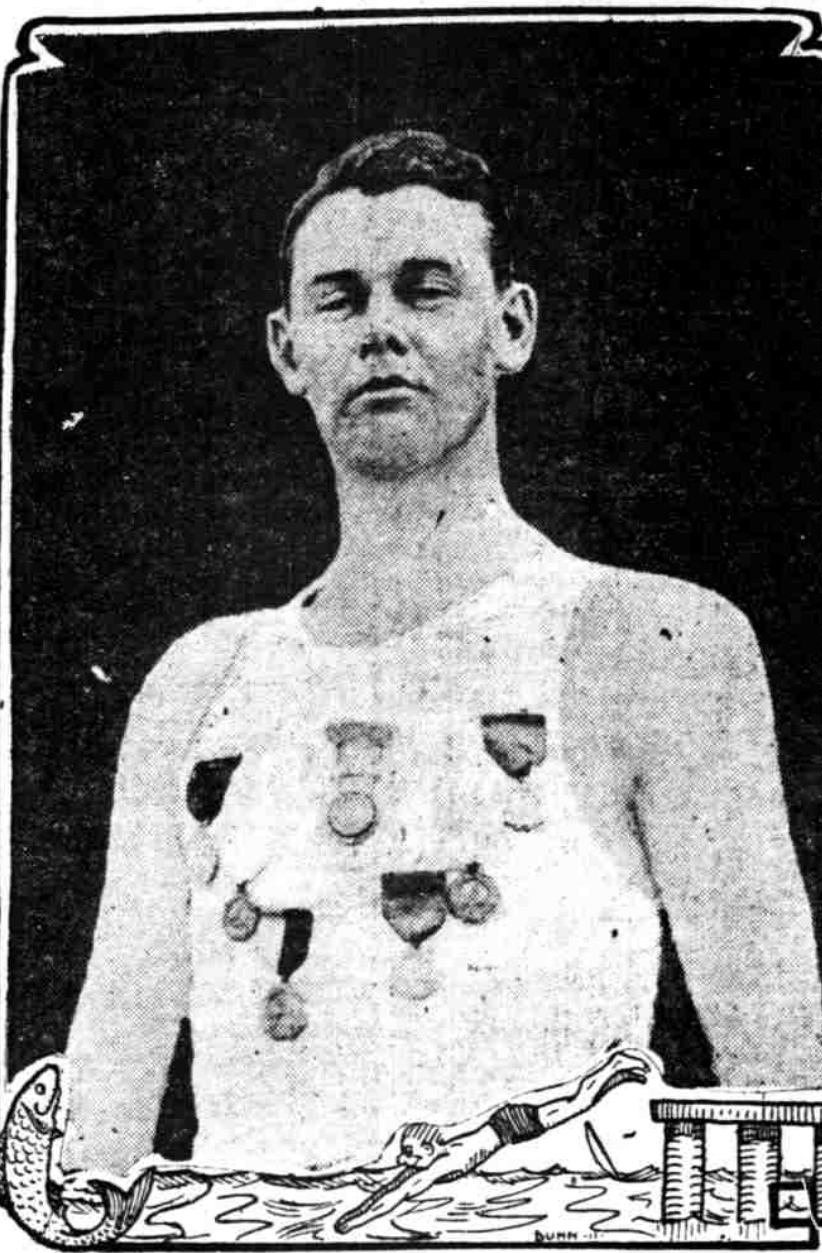

Cornell played airtight ball, gobbling up every chance in approved style. In addition to the good fielding, the winners clouted the ball with regularity and when hits were needed.

Several of Cornell's runs followed errors, hits coming to drive in the counts after this side should have been retired.

The Marines showed that they would stick in the league by having a full team for four runs, with an extra few. The Sailors played a better game than the score would indicate.

Navy Yard must win from the Gunners today in order to hold its position in second place. The race for this honor is a close one.

TOMORROW—Corcoran vs. Indian Office.

Company K was handed the short end of a 13 to 2 score yesterday. Tenleytown defeating them in a swatting. The contest went but five rounds, as each team had some difficulty in getting started.

Shalen's hit was a mighty oof, far over Leftfielder McBride's head, and would have been good for the circuit had the run been necessary. As Brown was in right with two on and a three-bagger only, since Brown ended the game when he crossed the plate.

Navy had a good chance to win in the tenth, when Holloran, first up, was hit by pitcher, and McBride placed a Texas leaguer in right with two on and none out. Devine fanned Shombert and McDonough and Yoho lifted an easy fly to short.

Givonetti sent back his contract to the Lynchburg team and will continue in the Departmental League. He could not obtain leave and didn't want to throw up his job in the department to play for such short time. He will leave in the spring to play semi-professional ball in Carolina, having already made arrangements.

Third Baseman Brown, who signed up with Savannah recently, has left for that city, as his transportation has not arrived. He was mailed his contract but got hung up on the way. He will probably leave tomorrow for the Sally circuit.

Devine held Navy safe until the eighth, seeming to weaken in the last round, and the team holding the lead until the fifth inning, when the Southern team made three runs.

Interior moved up into the first division by virtue of yesterday's victory.

TODAY—Union Station vs. Car Department, Fifth street and Florida avenue northeast.

Baltimore and Ohio and Southern played in a close game yesterday, the former winning without a miss. The lead until the fifth inning, when the Southern team made three runs.

The game was quite a surprise to the fans as the Southern railroad has had an easy time with the Baltimore and Ohio in each of its previous meetings, but they were pushed to win from their yesterday.

Hollrunner played the best fielding game, accepting his eight chances without a miscue, many of which were difficult to handle.

Smith made two pretty catches in center field for the Baltimore and Ohio team; on the second one he managed to get the ball to Wollett before F. Thompson could return to the base, thereby completing a double.

Thayer again proved his ability to pitch, having the Southern men guessing all the time to solve his peculiar delivery.

The twirling of Young was also commendable, as this was the first game in which he has pitched. Barnes was the only man to secure more than one hit off him.

Forest Thompson, on first base for the Southern, handled his job on the home ground. Expenses of the visiting team will be paid in full. Phone G. W. Bond, Senate branch 189, between 10 and 11 o'clock.

This was the best game in which the Baltimore and Ohio team has participated, and it is to be hoped that they are sure to put up a good game and the Trainers will know that they have been playing when it is over.

BOB THAYER'S Sporting Gossip

"Every Knock Is a Boost."

Driver at Carolina.

An alumnus writes me that Jimmy Driver, the prominent University of Virginia athlete, has been appointed athletic director at the University of South Carolina.

Driver will be remembered as the fast Virginia halfback who was depended upon to make long runs in the Georgetown game last fall. Later he played basketball and baseball for the teams from Charlottesville.

Driver was chosen by a special committee appointed at South Carolina, and he succeeds Johnny Neff, another former Virginia star.

Huff on the job.

Lurking somewhere in the bush leagues in the East is George Huff, official scout for the Chicago Cubs, looking for talent for Frank Chance's team.

Huff has found some of the best material that ever wore a Chicago uniform, and Chance believes in having him take another peek at all the players in this section who may be able to help out the club that beat Detroit, but later fell before the Athletics.

Will help A. A. U.

Mr. French, who was one of the most enthusiastic charter members of the Washington Cross Country Club, dropped in today to say that that organization will gladly help the registration committee of the A. A. U. in exposing any athletes who violate the rules of the governing body by competing in meets that are not sanctioned.

It has been reported that quite a few stars have been making it a practice during the summer to go on excursions and pick up some valuable prizes while competing under assumed names. Chairman Stuart is determined to break up the practice, if such exists, and it is up to all the clubs that foster clean athletics to join him in his crusade.

Priest to Richmond.

Owner Bradley, of the Richmond club of the Virginia League, was here for a while yesterday, having with him Johnny Priest, the Washingtonian, whom he got from the New York Highlanders for Richmond.

The affairs at the Virginia capital are now so mixed up that Bradley has been forced to dig up a number of new players, and from what he said I believe that he intends to make a permanent second baseman of Priest.

Priest is a good fielder, but his failure to hit up to the proper standard kept him out of the major leagues.

Tannehill drops back.

Jesse Tannehill, the former Washington pitcher, has been given his unconditional release by the Birmingham club of the Southern League.

Birmingham got Tannehill from Minneapolis, but, despite his failure to come up to expectations, he still believes that he will be able to land with some other Southern League team, probably Chattanooga.

Doyle, of Washington, Win Team's Semi-Finals

ATLANTA, Ga., July 7.—Herbert Doyle and Connie Doyle, the Washington tennis champions, were victorious in the semi-finals of the men's doubles in the Southern tennis tournament at East Lake.

Yesterday's winners by rounds were: Men's singles (semi-finals)—C. Y. Smith defeated W. A. Fleet, 6-1 and 6-3.

Men's doubles (semi-finals)—Grant and Carter defeated Mansfield and Smith; Doyle and Doyle defeated Bailey and Fleet.

Ladies' singles (semi-finals)—Mrs. Hall defeated Miss Milam; Miss Murphy defeated Miss Monahan (finals)—H. M. Ashe defeated H. McArthur, 6-3, 6-4, 6-3, 6-1, and 6-1.

Boxing Bouts to Mark Southern Club Smoker

The Southern Athletic and Social Club will give a smoker at its headquarters, 188 Pennsylvania avenue northwest, tonight.

Boxing bouts will be a feature of the evening's entertainment, and the following members of the club will appear in 3-round bouts: Dick Whitney vs. Charles Egan; Billie Daly vs. Young Cook, and Kid Egan vs. Charles Marx.
